Forecast For East Midlands
Issued by Met Office Exeter
at 1600 on Tuesday 11 May 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Cool and clear for most overnight.

This Evening and Tonight:
Showers will become confined to the western hills this evening with a chance of hill fog. Becoming dry and largely clear away from hills with light winds. Rather cool by dawn. Minimum temperature 6 deg C (43 deg F).

Wednesday:
Another day of sunny spells and showers, these slow-moving and occasionally heavy during the afternoon. Feeling pleasant in any spells of sunshine. Showers dying away during the evening. Maximum temperature 17 deg C (63 deg F).

Outlook for Thursday to Saturday:
Heavy rain possible, especially in the west on Thursday, with heavy afternoon showers possible anywhere. Sunny spells and scattered showers on Friday and Saturday, locally heavy. Temperatures below average.
